LUNCHEON HIGHLIGHTS

Please join us for our 2nd Annual Judy's Mission *Possible* Luncheon. This year's keynote speaker and entertainment will be comedian and ovarian cancer survivor Karen Mills, who can be heard weekly on Sirius/XM Laugh USA Channel and found in comedy clubs across the country. She will share her humorous take on surviving ovarian cancer. Other highlights include a champagne reception, grand prize raffle drawing of a women's and men's watch from Deutsch & Deutsch, raffle basket items and opportunities to win table gifts from Elaine Turner.

ABOUT JUDY'S MISSION OVARIAN CANCER FOUNDATION

Judy's Mission was founded in 2010 when Judy Robinson, a NASA scientist who maintained a healthy lifestyle, was diagnosed with Stage IV ovarian cancer and passed away 10 months later. It was Judy's "mission" to ensure that others were aware of the hidden signs and importance of family history and that more research was dedicated to early detection and prevention. As a result, friends came together to create a 501(c)(3) non-profit organization dedicated exclusively to ovarian cancer awareness and research. For more information, visit www.judysmission.org
